EDUCATION

Year	Degree/Exam	University	CGPA/%
2028	B.Tech Degree	IIT Kharagpur	8.30
2024	Grade 12	My Own School	96.8%
2022	Grade 10	My Own School	98.2%

INTERNSHIPS AND PROJECTS

Product Strategy Case - ShareChat & Moj [Dec '25 - Jan '25]

- Conceptualised an innovative product proposition targeting **45-50M** Tier-2 youth, differentiating from global platforms and highly scalable.
- Proposed Launchpad by analysing problems faced by **20+ users**, which revealed that aspirational mismatch resulted in a 40% churn rate.
- Deployed a **Zero - CAC** GTM strategy by pitching 500+ WhatsApp groups with a migration angle, acquiring genuine users without ad spend.
- Designed a Skill-Proof-Opportunity loop leveraging local content, badge-to-gig conversion, and Tier-2 mentors, unlocking a **45-50M TAM**.

Product Critique Case - Culture Circle [Jan '26 - Feb '26]

- Proposed a cost-effective, 30-day ship-ready product plan to improve conversion rate, reduce drop-offs, and strengthen buyer confidence
- Redesigned UX by introducing responsive filters, sticky deal navigation, auto-account creation to reduce discovery friction and increase trust
- Solved problem of **3 user segments**, First time, Repeat, Loyal through FOMO Engine, Open Web Ecosystem to increase user conversion rate
- Shipped **3 features** - SneakerGPT for sizing/trust queries, Drop Calendar with WhatsApp alerts, and Price Trend Graphs to improve discovery

COMPETITIONS

Bronze | General Championship (GC) Case Competition | Product & Growth Strategy [Feb '26 -Mar '26]

- Projected **₹3.91 Cr** Year-3 revenue at **12% margin** via D2C pivot to experience-led retention through gamified loyalty and subscriptions
- Resolved discount trap via **Scent as a Service**, mapping **6 SKUs** to emotions and shifting buyer mindset from transactional to monthly rituals
- Targeted breakeven at **1,807 monthly units** (₹14.1L) via ₹166 unit contribution margins & 80-point loyalty, scaling orders to **54K+ by Year 3**

Merger and Acquisition Competition | IFSA, IIT Kharagpur [Feb '26]

- Priced the \$82.7B deal via **DCF (WACC 7.68 %)** at an implied **\$29.09/share**, while PTA & FFA flagged WBD as overvalued across key multiples
- Projected **\$2.79B synergies by FY27** across revenue, technology, and marketing, achieving a **7-12% IRR** and accretive returns by Year 3
- Designed a **Value Trap Shield** using merger lessons to reduce debt risk and applied **30% synergy haircuts** with an asset-denial backup plan

National Winner | Business Plan (B-Plan) | Nutriblend | Kshitij, IIT Kharagpur [Dec '25 - Jan '26]

- Formulated protein-fortified atta for **276M+ vegetarians** using micro-encapsulated **70:30 Pea-Rice Isolate** technology, heat-stable to **250°C**
- Projected **₹80 Cr SOM** by Year 5 within a **₹71,150 Cr TAM**, pricing products at ₹160/kg and ₹1300/kg for daily and gym nutrition segments
- Pitched **₹25L at 16% equity** with a **₹150 Cr NPV**, projecting **Year-9 breakeven**, **3.6× revenue** and **12× profit** via subscription-led D2C model

POSITION OF RESPONSIBILITY

Subhead | National Students' Space Challenge | IIT Kharagpur [Aug '24 - Present]

- Enhanced platform **UX** & engagement by leading frontend and UI improvements for nssc.in & sa.nssc.in, improving usability & accessibility
- Ensured **high-traffic** reliability by managing backend infrastructure and deploying frontend optimisations for society's website spats.co.in
- Organised Public Relation drives via Space Technology Awareness Camps and publicity trips, converting **100+ students** into fest participants

Associate Member | ProDex | IIT Kharagpur [Sep '24 - Apr '26]

- Built an assistive **wearable prototype** converting sound into haptic and visual alerts at **Empower Conference**, for hearing-impaired users
- Secured **2nd place** by developing a cost-effective **Braille device**, enhancing adoption and real-world usability for visually impaired users
- Built **6 working prototypes** by mentoring **34 juniors** in product design and conducting brainstorming and hardware prototyping sessions

Financial Analyst | International Finance Student Association | IIT Kharagpur [Aug '25 - Mar '26]

- Derived macro strategy insights by authoring a **De-dollarization** research report, highlighting global currency shifts and emerging markets
- Built data-driven **investment frameworks** by collaborating with **Sparrow Capital**, supporting log-term informed capital allocation decisions
- Enhanced portfolio resilience by a derivatives **risk management** framework, identifying exposure concentration by downside stress-testing
